\*Up to \$45 connection fee and other conditions apply. Offers are available for a limited time and are subject to change or cancellation without notice. Applicable taxes extra. For Digital Discount program details and how to redeem your \$5 monthly discount, visit [freedommobile.ca/digitaldiscount](http://freedommobile.ca/digitaldiscount). Plan price includes \$5x18 month credit. To be eligible for that credit, you must activate a new line on, complete a hardware upgrade on, or migrate to, an eligible plan (in-market Can-US-Mex 10GB and up plans) during the promotion period. The credits will start to be applied before tax prior to your 2nd full month of service. You will receive a \$5 credit off the monthly plan price for 18 months, as long as you remain active on an eligible plan. The promotion may not be combined with other in-market recurring discount offers (except for Digital Discount), unless otherwise indicated. Your service will no longer be eligible for the promotion if you change your rate plan to an ineligible plan. If you are not eligible for the promotion during any month, that credit will be entirely forfeited and cannot be made up. If you qualify for the credit in the months following the ineligible month, you will continue to receive the credit as applicable. †To be eligible for the 5GB Roam Beyond data offer, you must activate a new line, complete a phone upgrade, or change your plan to our Can-US-Mex 50GB + 5G + Roam Beyond 5GB Data Pass plan during the promotion period. The 5GB Roam Beyond data pass is a one-time, non-recurring allotment of data that will be attached to your service within 14 days of you signing up on the eligible plan and will expire 2 years after attachment if not used up by that time. No talk or text is included with this data pass offer. The destinations included in the offer are the same as our Roam Beyond plans with the exclusion of the US, US Virgin Islands, Puerto Rico, and Mexico, which are already included in the rate plan. Roam Beyond destinations included are subject to change (may be added or removed). For a list of current destinations included, visit [freedommobile.ca/roam-beyond](http://freedommobile.ca/roam-beyond). Your service will no longer be eligible for the 5GB Roam Beyond data offer if you change your rate plan to an ineligible plan.
